FORTIKER® ACTIVE HAIR LOTION
Restorative Strengthening Volumizing

1. **Indications:** helps to restore, strengthen and add volume to weak and brittle hair by maintaining a balanced state of wellbeing.
2. **FORTIKER®** active lotion contains *Glixina*, a complex composed of Glycogen, Fucoxanthin and a Pool of Amino Acids.
Active ingredients:
 - **Glycogen:** a reserve polysaccharide obtained from corn starch by a process of enzymatic synthesis. It is normally found in the skin and other tissues, but tends to decrease in quality with age. It helps to maintain hydrated, elastic and shiny hair.
 - **Fucoxanthin:** is a polysaccharide from the xanthin class extracted from red and brown algae *Asparagopsis armata* and *Ascophyllum nodosum*. Its synergistic action helps to protect the microcirculation.
 - The **Pool of Amino Acids** was selected as the composition of keratin, a sulphur-rich protein that is essential for the structure of the hair.
 - **Biotin:** a vitamin that helps maintain the wellbeing of the hair.
 - **Phospholipids:** the main constituents of the cell membranes and effective carriers of active ingredients.
 - **Zinc, Copper, Magnesium, Iron and Silicon:** trace elements that help maintain the wellbeing of the hair.
3. **Product name:** FORTIKER®
4. **Solution ingredients:** AQUA, TETRASODIUM DISUCCINOYL CYSTINE, GLYCOGEN, ASPARAGOPSIS ARMATA EXTRACT, ASCOPHYLLUM NODOSUM EXTRACT, THREONINE, ARGININE, VALINE, ISOLEUCINE, ALANINE, SERINE, PROLINE, GLYCINE, HISTIDINE, PHENYLALANINE, BIOTIN, HYDROGENATED LECITHIN, GLYCINE SOJA OIL, OCTAPEPTIDE-2, SACCHAROMYCES/CAPSICUM ANNUUM FRUIT FERMENT FILTRATE, SACCHAROMYCES/ZINC FERMENT, SACCHAROMYCES/COPPER FERMENT, SACCHAROMYCES/ MAGNESIUM FERMENT, SACCHAROMYCES/IRON FERMENT, SACCHAROMYCES/SILICON FERMENT, LEUCONOSTOC/RADISH ROOT FERMENT FILTRATE, ZINC PCA, SORBITOL, SODIUM PCA, GLYCERIN, PCA, SODIUM OLEATE, SODIUM LACTATE, POTASSIUM SORBATE, SODIUM BENZOATE, ASPARTIC ACID, BENZYL ALCOHOL, PHENOXYETHANOL, TRIETHANOLAMINE, DISODIUM EDTA
Powder ingredients: BETAINE, MANNITOL, SILICA, DEXTRIN, GARDENIA FLORIDA FRUIT EXTRACT
5. **Cosmetic form:** lotion
6. **Capacity:** single-use bottles 7ml
7. **How to use:** after washing your hair, pat dry with a soft towel. Start to apply the lotion from the scalp, massaging gently with your fingertips and evenly distributing the contents over the entire length of the hair with the help of a comb. Dry your hair as usual. We recommend two applications a week in two-month cycles. Ideal when combined with restorative, strengthening and volumizing **Fortiker® Active Shampoo** and **Fortiker® Active Mask**.
**Effectiveness tests conducted on combined use of the three Fortiker® products (Shampoo, Lotion and Mask)*
8. **Warnings:** the tolerability of FORTIKER® lotion has been dermatologically tested on sensitive skin. Use not recommended in case of allergy to any of the components.
9. **PaO (period after opening):** not applicable for single-dose product.
10. **Storage:** the product should be stored at normal ambient conditions (in a dry place and at room temperature) and protected from light.
11. **Business name and address:** SKINIUS s.r.l. Via Durini, 14 – 20122 MILANO
