

## TECHNICAL FILE

**FORTIKER® ACTIVE HAIR MASK**  
**Restorative Strengthening Volumizing**

1. **Indications:** Helps to restore, strengthen and add volume to hair for improved elasticity and reduced breakages and split ends. Helps to protect the hair, making it silky, soft and shiny without weighing it down.
2. **FORTIKER® Active Mask** contains *Glixina*, a complex composed of Glycogen, Fucoxanthin and a Pool of Amino Acids.

**Active ingredients:**

- **Glycogen:** a reserve polysaccharide obtained from corn starch by a process of enzymatic synthesis. It is normally found in the skin and other tissues, but tends to decrease in quality with age. It helps to maintain hydrated, elastic and shiny hair.
  - **Fucoxanthin:** is a polysaccharide from the xanthin class extracted from red and brown algae *Asparagopsis armata* and *Ascophyllum nodosum*. Its synergistic action helps to protect the microcirculation.
  - The **Pool of Amino Acids** was selected as the composition of keratin, a sulphur-rich protein that is essential for the structure of the hair.
  - **Biotin:** a vitamin that helps maintain the wellbeing of the hair.
  - **Phospholipids:** the main constituents of the cell membranes and effective carriers of active ingredients.
  - **Zinc, Copper, Magnesium, Iron and Silicon:** trace elements that help maintain the wellbeing of the hair.
3. **Product name:** FORTIKER®
  4. **Ingredients:** AQUA, CETEARYL ALCOHOL, ETHYLHEXYL PALMITATE, BEHENTRIMONIUM CHLORIDE, GLYCOGEN, ASPARAGOPSIS ARMATA EXTRACT, ASCOPHYLLUM NODOSUM EXTRACT, TETRASODIUM DISUCCINOYL CYSTINE, THREONINE, ARGININE, VALINE, ISOLEUCINE, ALANINE, SERINE, PROLINE, GLYCINE, HISTIDINE, PHENYLALANINE, BIOTIN, HYDROGENATED LECITHIN, GLYCINE SOJA OIL, OCTAPEPTIDE-2, SACCHAROMYCES/ZINC FERMENT, SACCHAROMYCES/COPPER FERMENT, SACCHAROMYCES/MAGNESIUM FERMENT, SACCHAROMYCES/IRON FERMENT, SACCHAROMYCES/SILICON FERMENT, ZINC PCA, SORBITOL, SODIUM PCA, GLYCERIN, PCA, CERAMIDE NP, HYDROLYZED CORN PROTEIN, HYDROLYZED SOY PROTEIN, HYDROLYZED WHEAT PROTEIN, COCO-CAPRYLATE, OLEA EUROPAEA FRUIT OIL, HYDROXYPROPYL GUAR, LAURYL GLUCOSIDE, SODIUM OLEATE, SODIUM LACTATE, SODIUM BENZOATE, POTASSIUM SORBATE, MYRISTYL ALCOHOL, ASPARTIC ACID, GLYCERYL STEARATE CITRATE, LACTIC ACID, PARFUM, AMODIMETHICONE, CETRIMONIUM CHLORIDE, HYDROXYACETOPHENONE, LEUCONOSTOC/RADISH ROOT FERMENT FILTRATE, CYCLOPENTASILOXANE, TRIDECETH-10, PHENOXYETHANOL, BHT, DISODIUM EDTA
  5. **Cosmetic form:** hair mask
  6. **Capacity:** tube 150mL
  7. **How to use:** apply to hair after shampooing. Massage gently in from the ends of your hair up to the roots. Leave on and rinse. Ideal when combined with restorative, strengthening and volumizing **Fortiker® Active Shampoo** and **Fortiker® Active Lotion**.\*  
*\*Effectiveness tests conducted on combined use of the three Fortiker® products (Shampoo, Lotion and Mask)*
  8. **Warnings:** the tolerability of FORTIKER® mask has been dermatologically tested on sensitive skin. Use not recommended in case of allergy to any of the components.
  9. **PaO (period after opening):** 12 months
  10. **Storage:** the product should be stored at normal ambient conditions (in a dry place and at room temperature) and protected from light.
  11. **Business name and address:** SKINIUS s.r.l. Via Durini, 14 – 20122 MILANO
