

DERMAGENIA®

DAYLIFE REGENERATING CREAM

Anti-aging Antioxidant Chrono-hydrating Blue Light Protection Anti-pollution

- 1. Indications:** intensive protective anti-aging cream with specific active ingredients that help to protect the skin from blue light and environmental pollutants. The antioxidant action combats free radicals, helping to maintain optimum cellular physiology. Formulated with chrono-hydrating active ingredients for intense, long-lasting hydration. This cosmopolitan and multitasking formula is suitable for all skin types, even the most sensitive, and can be used all year round and at any age. Delicate multi-tasking texture.
- 2. Functional active ingredients:**
 - **Olive vegetable water:** thanks to the presence of hydroxytyrosol and tyrosol, olive extract helps to protect the skin from the damage caused by blue light.
 - **Moringa extract:** a seed extract rich in a micro protein that can protect the skin from polluting agents.
 - **Argan extract:** a leaf extract rich in flavonoids, powerful antioxidants that can contribute to the anti-aging action;
 - **Marjoram extract:** a leaf extract rich in antioxidants such as polyphenols, beta-carotene (precursor of vitamin A) and tannins.
 - **Pool of chrono-hydrating sugars:** ensures long-lasting hydration of the skin.
 - **Hydrolysed yeast proteins:** encourage the synthesis of epidermic lipids and perform a beneficial action on the skin's microbiota, helping to keep the skin hydrated, to reinforce and rebalance the skin barrier and to preserve the balance of the skin's ecosystem.
 - **Organic olive oil:** guarantees excellent deep hydration by helping to regulate transepidermal water loss. Emollient, softening, and sebo-balancing, it is rich in vitamin E, ceramides, monounsaturated fatty acids and antioxidant substances that can combat free radicals.
- 3. Product name:** DERMAGENIA® DAYLIFE REGENERATING CREAM
- 4. Ingredients:** AQUA, GLYCERYL STEARATE, COCO-CAPRYLATE, ETHYLHEXYL PALMITATE, CETYL ALCOHOL, CETEARYL ALCOHOL, CAPRYLIC/CAPRIC TRIGLYCERIDE, OLEA EUROPAEA FRUIT OIL, PRUNUS AMYGDALUS DULCIS OIL, CORALLINA OFFICINALIS EXTRACT, OLEA EUROPAEA FRUIT EXTRACT, SIMMONDSIA CHINENSIS SEED OIL, HELIANTHUS ANNUUS SEED OIL, ORIGANUM MAJORANA LEAF EXTRACT, ARGANIA SPINOSA LEAF EXTRACT, MORINGA OLEIFERA SEED EXTRACT, TOCOPHEROL, TOCOPHERYL ACETATE, SODIUM HYALURONATE, BETA-SITOSTEROL, MALTODEXTRIN, SODIUM LAUROYL GLUTAMATE, HYDROLYZED YEAST PROTEIN, GLYCERIN, ETHYLHEXYLGLYCERIN, TREHALOSE, UREA, ALGIN, PULLULAN, POTASSIUM PHOSPHATE, DISODIUM PHOSPHATE, CAPRYLYL GLYCOL, SERINE, STEARIC ACID, SODIUM DEHYDROACETATE, GLYCERYL POLYACRYLATE, SQUALENE, PENTYLENE GLYCOL, PARFUM, PHENOXYETHANOL, CARBOMER, BUTYLENE GLYCOL
- 5. Cosmetic form:** cream
- 6. Capacity:** flacon airless 50ml
- 7. How to use:** apply in the morning and throughout the day as needed to most exposed areas, including face, eye and lip contours, neck and décolleté. Apply the cream evenly in upwards and outwards motions and massage until completely absorbed.
- 8. Warnings:** DERMAGENIA® DAYLIFE REGENERATING CREAM has been dermatologically tested on sensitive skin. Use not recommended in case of allergy to any of the components.
- 9. PaO (period after opening):** 12 months
- 10. Storage:** the product should be stored at normal ambient conditions (in a dry place and at room temperature) and protected from light.
- 11. Business name and address:** SKINIUS s.r.l. Via Durini, 14 – 20122 MILANO
