

DERMAGENIA[®]

EMOTION NOURISHING CREAM

Anti-aging Regenerating Firming Elasticizing Antioxidant

1. **Indications:** nourishing, anti-aging and firming cream with specific active ingredients for a regenerating, elasticizing and antioxidant action. Helps to minimize micro-wrinkles and improve skin tone and elasticity, redefining the contours of the face. This antioxidant and regenerating action helps to improve skin elasticity. Ideal for dry or very dry skin. Suitable for all skin types, even the most sensitive and for use all year round and at any age. Rich and sublime high-density texture.
2. **Functional active ingredients:**
 - **Peony extract:** with paeoniflorin, an antioxidant for the most sensitive skin types;
 - **Cedar extract:** rich in vitamin C with anti-aging action;
 - **Shea butter:** firms and improves elasticity;
 - **Argan oil:** rich in fatty acids and vitamin E with antioxidant properties;
 - **Almond oil:** emollient and nourishing;
 - **Vitamin E:** protects the skin from aging and oxidation.
