ALUSAC® Mask with Alusil

1. **Indications:** ideal for impure, combination, oily and acne-prone skin, both face and body, of all ages. Purifying, sebum-balancing, smoothing, mattifying, normalizing and soothing, ALUSAC® Mask tackles the blemishes caused by acne and reduces the severity of acne.*

**Clinical test conducted on volunteers aged between 18 and 40 years old*

2. **ALUSAC®** is a line of dermocosmetic products containing Alusil, a synergistic combination of:

- **Silver microsponges** (99.9% pure) of natural origin with long-term antimicrobial properties. The innovative sponge-like structure adheres to the skin and releases large quantities of silver ions which significantly reduce the formation of acne.
- **Alukina** is a patented complex with astringent properties that reduces sebaceous secretion and encourages cellular turnover.

It is composed of:

- **Potassium alum:** of volcanic origin, normalizing action, antiseptic properties.
- **Glycyrrhetic acid:** derived from liquorice, helps normalize the microcirculation to encourage the physiological reduction of dilated capillaries that cause skin redness.
- **Vitamin a (Retinyl palmitate):** antioxidant action, encourages cellular renewal by helping with the elimination of dead cells.

Other important ingredients include:

- **Green clay:** of mineral origin, mostly composed of silicon, aluminium and calcium oxides with smaller quantities of iron and magnesium oxides, purifying, detoxifying and absorbent properties.
- **Moringa oleifera:** tropical plant with purifying properties. The seed extract showed antimicrobial activity in vitro.
- **Peppermint:** the leaf extract is rich in active ingredients with refreshing, purifying and regulating properties that help reduce the irritation caused by acne.
